

Di Vásquez Aliaga

Education

University of Arizona

Bachelor of Fine Arts - Visual Communications
2012-2017

Experience

Marketing Manager - My Az Realty Team

Phoenix, AZ | April 2023 - Present

Developed and implemented marketing strategies to increase business visibility and drive client relations.
Analyzed marketing metrics for campaign effectiveness.
Created marketing pieces for real estate listings such as social media posts, videos, emails, flyers, and postcards.
Collaborated closely with agents to cultivate and enhance their personal brand and online presence.
Nurtured client and potential client relationships through newsletters, pop-by gifts, client appreciation events, and acknowledgments.

Freelance Work

Tempe, AZ/Cajamarca, Peru | August 2022 - April 2023

Worked with small business owners and individuals with projects ranging from branding to book illustration.

Design Lead - Shotzoom Software

Tempe, AZ | July 2017 - August 2022

Created user-friendly designs for mobile interfaces, including user journeys, wireframes, and high-fidelity designs.
Collaborated with developers to implement designs, created and maintained style systems and style guides to ensure consistency and ease future projects.
Gathered feedback through user research and usability testing.
Stayed up to date on design trends and technology, incorporating them into my designs.
Worked cross-functionally to confirm understanding of business objectives and product usability across the development and marketing teams.
Advanced to the position of Design Lead within three years.
